N.Y.S. D.E.C. Endorsed 4 Hour Erosion & Sediment Control Required Training

March 18, 2020

8:00am – 12:00pm

Under the NYS Department of Environmental Conservation's Stormwater Permit GP-0-15-002, all developers, contractors and subcontractors must identify at least one *trained contractor* from their company that will be responsible for implementation of the SWPPP, and have at least one *trained contractor* on site on a daily basis when soil disturbance activities are being performed. Also, developers must have a *qualified inspector* conduct regular site inspections in accordance with GP-0-15-002.

Code Enforcement Officers & Planning Board/Zoning Board of Appeals members may use this course as 4 hours of Professional Development Elective Credits. The individuals completing the training may also need to provide DOS with a copy of their wallet card or certificate of course completion, if requested.

Qualified inspectors and trained contractors* must have 4 hours of training in the principles and practices of erosion and sediment control endorsed by NYS DEC, SWCD, or CPESC, Inc. Training is good for 3 years. Training is **not required for CPESC, LA, and PE certified persons. Upon completion of the course, each participant will receive a NYS DEC Stormwater Training Number on a certificate and wallet card good for 3 years.

This training does not allow contractors to conduct their own Qualified Weekly Inspections.
