Please Read: All seedlings are bare root stock. Consult our catalog (www.monroecountyswcd.org) for detailed descriptions of what a bare root plant is and other details. Stock may be used for wildlife habitat, erosion control, reforestation, windbreaks, landscaping, Christmas trees, etc. All trees and shrubs sold are to be used for these practices. Trees and shrubs are sold with the understanding that they will **not** be removed from the planted site for resale with the roots attached. Orders are filled on a first-come, first-serve basis. The District reserves the right to refund payment on items if they should become unavailable. Because the District cannot ensure proper planting location, guard against improper planting or handling, guarantee sizes (due to the growing season and/or weather related problems); the District will not be responsible for replacement or refunds of orders after distribution.
